Fantastic Experience ★ ★ ★ ★ ★

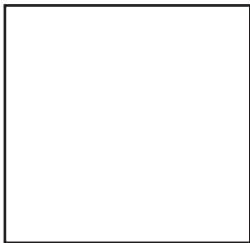

We had an excellent tour with mboni. We made our reservation online one month before the trip, and we were able to talk to the staff to address some questions prior to the trip. I had previous hiking experience but my wife did not. High point of a great holiday. It was absolutely incredible , through this company we got a lot of individual attention.

Amazing services through and through ★ ★ ★ ★ ★

My family and I just came back from 15 days in Tanzania. The purpose of the trip was to climb mount Meru and Mount Kilimanjaro. Mboni adventures and Safari Company who was our host were excellent and hard working. We did a 3 days trip to Mount Meru which was amazing and very beautiful. We had a crew of 11 porters, one cook, one guide and a park ranger who clearly made sure that we were safe and protected throughout our journey, many thanks to him.
